

LAWN TENNIS.

The East Maitland teams now in Sydney visited the Hunter's Hill Lawn Tennis Club on Saturday, and a good day's tennis took place. Starting in the morning the Maitland ladies scored a win against the Hunter's Hill team by 37 games to 35, the sets being equal. As the Hill led by two games on the first round, the second was very exciting, some really good tennis being witnessed, especially in the match Mrs. Metcalfe and Miss M'Kenzie v. Miss Vernon and Miss Doyle. The Maitland pairs shared the honours, each winning one more game than they lost. Mrs. Metcalfe and Miss M'Kenzie played well for Hunter's Hill, winning all their four sets straight. After lunch a gentleman's match was played, the home team proving too strong by winning 8 sets 64 games to the visitors' 4 sets 44 games. As Hunter's Hill had put a very strong team into the field this is not at all a bad performance for the country club. Following are the scores:—
